Kenmont is one of Montgomery County's first and most successful community swim and tennis clubs.

Established in 1958, we are located on three acres of beautiful wooded land in the northeast corner of Kensington, Maryland, adjacent to Westfield Mall.

A not-for-profit private club open to members and their guests, Kenmont is more than just a place to swim and play tennis; we are a community of 400 families who enjoy spending our summers together - swimming, playing, dining, and relaxing.
